

LITE+T Sistema de herrajes para puertas correderas en madera, cierre amortiguado

Sliding door system with soft closing

KLEIN®
LITE+T

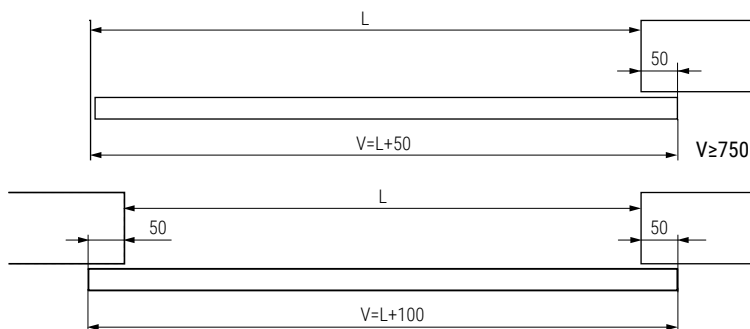

LITE+T está diseñada para dividir ambientes mediante un único panel corredera de madera, sin guía en el suelo.

- Instalación a falso techo con guía totalmente oculta. Montaje rápido y un deslizamiento suave.
- Sistema compacto para un diseño minimalista.
- Perfil de aluminio anodizado plata mate.
- Opción sin freno y con KSC, Klein Soft Closing, detención suave y controlada. Admiten hojas desde 75cm.

LITE+T is designed to divide rooms using a single sliding wooden panel, without a guide on the floor.

- Ceiling or wall installation, with hidden profile. Quick assembly and smooth sliding.
- Compact system for a minimalist design.
- Anodized matt silver aluminum profile. Wall or ceiling mounted
- Option with stopper or KSC soft closing system for smooth function from 75cm door width.
