

LITE GLASS+ T Sistema de herrajes para puertas correderas en vidrio, cierre amortiguado
Sliding glass door system with soft closing

KLEIN®

LITE GLASS+T

La nueva versión del sistema LITE+ T GLASS está diseñada para dividir ambientes mediante un único panel corredera de cristal, sin guía en el suelo.

- Instalación a falso techo, en dos fases para un montaje fácil, con guía totalmente oculta. Una vez instalada, solo se percibe una fina línea.
- Montaje rápido y un deslizamiento suave.
- Perfil de aluminio anodizado Silver.
- Sistema de frenado de la puerta KSC, Klein Soft Closing, detención suave y controlada. Admite hoja desde 75cm.

The new version of the LITE+ T GLASS system is designed to divide spaces using a single sliding glass panel, without a floor guide

- Installation on a false ceiling, in two phases for easy assembly, with a completely hidden guide. Once installed, only a thin line is visible.
- Quick assembly and smooth sliding.
- Natural aluminium profile. Wall or ceiling mounted.
- Option with stopper or KSC soft closing system for smooth function from 75cm door width.

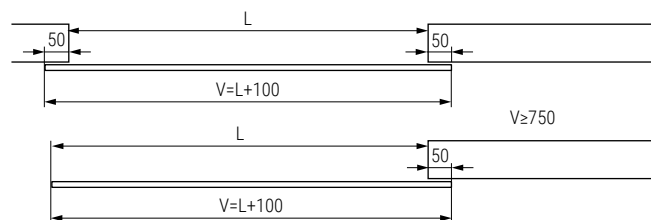

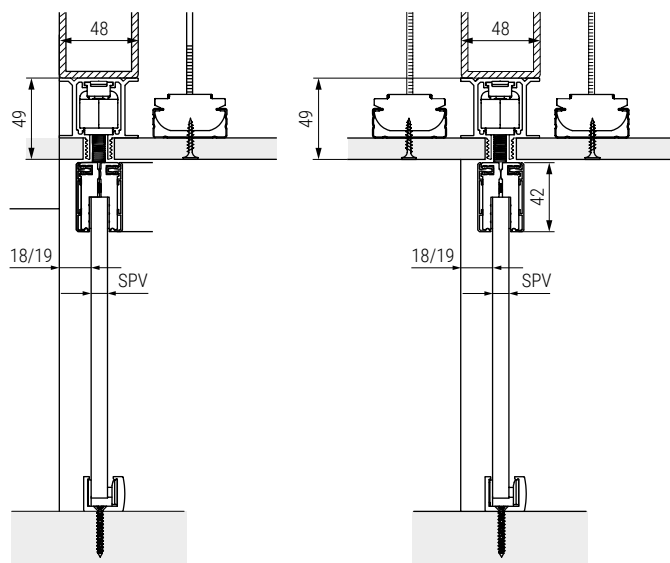

Aplicación con perfil y escuadra a la pared
Application with profile and bracket for wall

Aplicación con perfil al techo
