EC Type-Examination Certificate

No. CE 594883

Product Details

Product type:	Half Mask.
Product name:	3M™ Rugged Comfort Half Mask 6500 Series.
Models:	3M™ 6501 (small size standard industrial product) 3M™ 6501QL (small size standard industrial product) 3M™ 6502 (medium size standard industrial product) 3M™ 6502QL (medium size standard industrial product) 3M™ 6503 (large size standard industrial product) 3M™ 6503QL (large size standard industrial product).
Technical Specification:	Harmonized European Standard EN 140:1998.
EN 140 classification:	Half masks for use with twin filters.

Product assessments

The product assessments were based on BS EN 140:1999, the English language version of EN 140:1998, respiratory protective devices – half masks and quarter masks.

Product details

The two ranges of masks are of similar design with the QL (Quick Latch) range incorporating a mechanism to enable the wearer to don or doff the mask quickly without moving the head harness from its position on the crown of the head. The masks are designed for use in conjunction with a 3M specified pair of the same type of 3M Particulate Filters and, where applicable, their associated 3M Filter Platforms and 3M Filter Retainers and/or 3M Gas and Vapour Filters. The Filters are the subject of separate EC Certificates.
