The Beauty of Invisible

La Bellezza dell'Invisibile

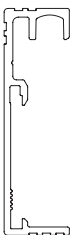

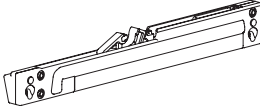

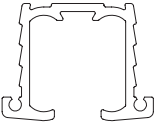

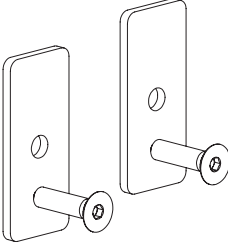

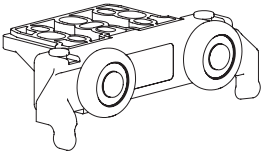

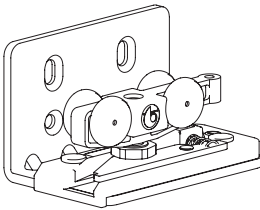

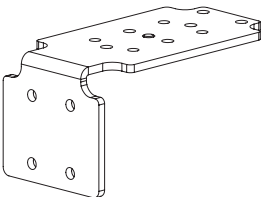

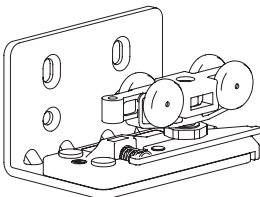

A piece of furniture without any visible track, the door moves, floating between the shelves, almost weightless. The freedom this system offers in the design and aesthetic customisation of the cabinet is unique.

Un mobile senza alcun binario a vista, l'anta si muove, fluttuando tra i ripiani, quasi in sospensione, senza peso. La libertà che questo sistema offre nella progettazione e nella personalizzazione estetica del mobile è senza eguali.
